Anthony,

Thank you for your donation of 1,000 trees to Bernards Township residents towards the Shade Tree Commission's "Five in 5" program. We appreciate your efforts to help Bernards Township recover from Hurricane Sandy's destruction.

As you are aware, the Bernards Township Shade Tree Commission is encouraging our Township residents to plant 5,000 trees within the next 5 years to help the Township recover from the estimated 15,000 trees lost to the storm.

We look forward to working with you again in the future.
