Dear Mr. Biedron and Ms. Biedron:

On behalf of the Northern New Jersey District Council of the Urban Land Institute, I am extremely pleased to inform you that your project, The Willow School, has been selected for the District Council's first annual Special Recognition Award. As you may know, ULI's mission is to promote responsible leadership in the use of land to enhance the total environment. This award recognizes your efforts to further the concept of responsible land use in your development initiatives.

We would be delighted if you and your spouse or guest, as well as representatives from Back to Nature, could please join us on November 29, 2006, for a celebratory dinner recognizing your achievements. The dinner will be held at 6:00 p.m. at the Zimmerli Museum which is located at 71 Hamilton Street, New Brunswick, New Jersey.

Thank you again for your leadership in responsible land use. We look forward to congratulating you in person.

Sincerely,

Richard F. X. Johnson  
Chair  
ULI Northern New Jersey District Council
