Person of the Year Award

To Whom It May Concern:

It is my distinct pleasure to nominate Anthony Sblendorio for 'Person of the Year'.

My husband & I first met Anthony some 15+ years ago at a fund raiser for Mansion in May. We were quickly drawn to his love of & passion for the environment. We became the first client of Back to Nature. We had purchased a house in Bernardsville and desperately needed guidance with our property. Anthony managed to convert our property from ordinary to spectacular. It remains so today due to his oversight.

Over the years I have watched him grow into an astute business man.....but never losing or sacrificing his integrity. His never ending enthusiasm & passion for the environment is evident in his many projects. Along with all of that is his deep concern for his family, friends and clients.

As a friend, client & most current, an Investor in Back to Nature Home & Garden, I continually look forward to his next project. I strongly feel there is no need to look any further.....Anthony Sblendorio is the Epitome of The 'Person of the Year'.

Respectfully,

Mrs. Sandra Wynne
