Dear Amy:

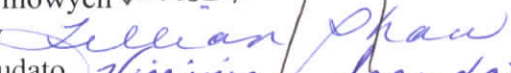

The Board of Trustees of the Jefferson Village Condominium Association, Spring Ridge, would like to thank you for the recent *Back to Nature Home and Garden* free-tree promotion held during September, and early October. Due to weather-related events such as storms and hurricanes, several of the trees in Jefferson Village landscaped areas were destroyed. These areas have remained treeless for some time.

Several of our homeowners participated in picking up trees during *Back to Nature's* free-tree days. This has resulted in allowing our Village to affordably replace trees with just the cost of planting them.

We are most grateful to you for committing to the health and beauty of our community, and for this promotion. Because of you, we now have an assortment of Red Maples, Spruces, and one Red Bud that will be planted within two weeks, here at Jefferson Village.

We wish you and your company, *Back to Nature Home and Garden*, continued success in all of your endeavors.

Sincerest regards,

Julian Ochrymowych
